Mission Letter

Dear Praying Friends,

God has been blessing, in the first few months of 2018. God has increased our level of support to 87%. We have made new friends and ministry partners, and many new prayer warriors have committed to praying for Sparrow Baptist Church. In January, we drove through a blizzard to a missions conference in Illinois. Though this church has been around for many years, we were able to be a part of their first Faith Promise Missions Conference. What a blessing to play a part in introducing Missions. We were part of a missions conference in Simcoe, Ontario, and I flew alone to Vancouver, British Columbia, visiting five churches, sadly while trying to recover from the flu. The very next week, I drove down to Alabama to be in a missions conference there. Praise the Lord, some of these churches have taken us on for support and others have dedicated to pray for our ministry. We now sit at 87% March's schedule is full, with a few meetings in April and May. God is faithfully increasing our support. We are praying about a start date for Sparrow Baptist Church of July 1. During these spring months as meetings slow down and we draw near to the church's opening, we will be busy moving closer downtown, canvassing, witnessing, coordinating the opening and hosting a missions trip. We have found an affordable room to rent at a local community center. Pray God's will be done as we meet with them about reserving it. We are praying that God would give us a small core group of people to start the church. Perhaps you would be willing to come and be a part of this new church plant. If you are interested in being a part of a new church plant in a needy area, please contact me. I will need your pastor's recommendation and an interview so I can explain the details of this ministry. Himal Baptist Church in Kathmandu, Nepal, is doing very well. Sunsa's wife and brother in-law have been faithfully attending services. God is continuing to soften their hearts. Please take a moment and pray for Romri's and Purna's salvation. There have been so many unforeseen costs in moving to Canada and laying the foundation for future ministry. Your faithful prayers and investment have allowed us by God's grace to continue. For those who prayed for our vehicle issues last letter, the company did not give us any compensation for the damage, but thankfully the Lord has still met the need. Thank you for your love and prayers.

God, Save Tibet,
 McTague Family
