Mission Letter

Wood Family  
March 19, 2018

He is not here: for he is risen, as he said. At this time every year we are reminded that our Lord Jesus Christ is risen! We praise the Lord that the power of His resurrection is plain to see in the lives of those who have turned to Him from idols to serve the living and true God.

We have been enjoying discipling Yutheavey and Srey Hoang, whom I mentioned in our last letter. Since they believed, they have followed the Lord in baptism and begun to grow in Christ. They almost immediately asked me to teach them together about childrearing and a biblical marriage relationship. I have also been teaching Yutheavey (the husband) through various books of the Bible. They are actively seeking to call others to Christ as well. Praise be to the Lord! Please continue to pray for them to grow in Christ.

Srey Nuch is another lady that recently trusted in Christ. We met her while out visiting house-to-house. She had watched videos about Christ on YouTube, which seemed to prepare her heart for the gospel (not only that Christ died, but that He died for our sins). She is, however, surrounded by wickedness of seemingly every sort—in Satan's seat, as it were. Please pray for the Lord to establish Srey Nuch in the faith and help her resolve to follow Christ and not the things around her. Her 10-year-old daughter Juli is also a blessing as she sits quietly and attentively in church. Please pray for her to come to the Lord as well.

In the Red Dot minstry of Paav, we have largely completed our evangelism in the town. We have established lasting and meaningful relationships with numerous people there who are yet unsaved, and we continue to visit every Thursday to share the gospel with them. Please pray for Thaileng, a newly married young man who appears to also be a Christian. Through our relationship with him, the Lord gave us a wonderful opportunity to share the gospel to several members of his family for nearly two hours last Thursday. His mother was very interested in the fact of Christ's virgin birth. Please pray for her to turn to Christ. Sadly, Thaileng is preparing to go to South Korea to work for three years along with his brother.

We continue to teach Srey Leak in Paav. We are constantly amazed at the grace and receptivity that God has given to her. Her desire to follow the Lord seems unquenchable. We know that God and God alone sustains her. We give God the praise for His work in her. Please continue to pray for her to stand firm and remain faithful to Him.

Thank you for your prayers for our family!
